BUILD YOUR WORKFORCE FROM THE GROUND UP

At Trafford & Stockport College Group, we believe a talented workforce is the key to success. Apprenticeships are a brilliant way to shape the future of your workforce – and a smart, practical way to grow your business.

Apprenticeships offer a practical, cost-effective way to bring new talent into your team while developing the skills you depend on.

Our construction programmes combine hands-on training, industry-standard facilities, and expert teaching – helping apprentices become skilled, capable members of your team from an early stage.

A TRUSTED LOCAL PARTNER

We don't just deliver apprenticeships – we form partnerships.

We work with hundreds of businesses across Greater Manchester and beyond. Our expert team works closely with you to understand your goals, identify skills gaps, and design training that works for your business.

Let's build the skills your company needs – today and tomorrow.

86% of employers say apprentices help develop relevant skills in their business.

WE'RE PART OF THE GREATER MANCHESTER INSTITUTE OF TECHNOLOGY

Trafford & Stockport College Group is proud to be a member of GMIOT – a partnership between education providers and employers committed to raising technical skills across the region.

Through this, employers have the chance to shape the curriculum, and our students get closer to the industry they're training for. It's our commitment to going above and beyond – making sure that our students don't just meet the standard, but are genuinely prepared for the realities of your industry.

Let's build the skills your company needs – today and tomorrow.

WHY CHOOSE US?

Flexible training that works for you

We offer both day release and block release, so you can choose the model that works best for your business.

Apprentices ready to work

Many of our apprentices already have some training, so they can support your team from day one.

Support every step of the way

From recruitment and onboarding to funding, paperwork and progress reviews, we make apprenticeships simple to manage.

Strong employer partnerships

We work closely with you to track progress, provide regular updates, and respond quickly to any challenges.

INDUSTRY-STANDARD FACILITIES

Apprentices train using the latest tools, technology and methods, including:

- ▶ CAD and Revit software
- ▶ Drone surveying technology
- ▶ Modern methods of construction (MMC)
- ▶ Green technologies such as solar panels and air source heat pumps

Immersive learning

Our immersive classrooms bring construction environments to life, allowing apprentices to learn through interactive, real-world scenarios to build confidence and understanding.

BENEFITS FOR EMPLOYERS

Develop a skilled workforce

Train apprentices with the skills your business needs – now and for the future.

A cost-effective way to grow

Benefit from government funding and lower initial wage costs, making it more affordable to expand your team.

Build loyalty and retention

Apprentices you invest in are more likely to stay, helping you build a loyal, committed team.

Future-proof your business

Bring in new talent with up-to-date skills in modern construction methods and technologies.

Help shape the next generation of tradespeople.

New talent brings new creativity.

ACS GAS - AM2 ELECTRICAL ASSESSMENT CENTRE

The Electrical and Gas Assessment Centre is a specialist centre that delivers nationally recognised gas, electrical and water industry assessments. The centre supports engineers at every stage of their career, from first-time qualifications to 5-year reassessments.

LATEST STANDARDS OF ASSESSMENT FOR QUALIFIED INDUSTRY TRADES PEOPLE

- ▶ Domestic – Industrial – Catering Assessments - ACS Refresher Training
- ▶ LPG Assessment for Permanent Dwellings and Residential Park Homes
- ▶ Leisure Vehicles. Mobile Catering. Boats
- ▶ Unvented Hot water (part G)
- ▶ Legionella – Risk Management/operative
- ▶ Water Regulations (WRAS)
- ▶ Managed Learning programme for new entrants to the gas industry
- ▶ Bespoke Gas Awareness Courses
- ▶ Heat Pumps – Air and ground source
- ▶ Low temperature heating design
- ▶ AM2 - AM2S - AM2E Assessment and preparation day

CONSTRUCTION APPRENTICESHIPS

We offer a wide range of apprenticeships across key construction trades:

LEVEL 2

- ▶ Property Maintenance (multi-trade)
- ▶ Groundworks and Civil Engineering
- ▶ Bricklaying
- ▶ Plastering
- ▶ Plumbing
- ▶ Joinery

LEVEL 3

- ▶ Bricklaying
- ▶ Plastering
- ▶ Plumbing
- ▶ Joinery
- ▶ Electrical

LEVEL 4

- ▶ Building Services Engineering Senior Technician
- ▶ Construction Design and Build Technician

HIGHER NATIONAL CERTIFICATES (HNCs) IN CONSTRUCTION

In construction, the HNC is the industry's most valued higher-level qualification – and we offer several pathways to suit your company and your workforce:

- ▶ HNC Building Services Engineering for England (HVAC)
- ▶ HNC Building Services Engineering for England (Electrical)
- ▶ HNC Construction Management for England (Design & Build Technician)
- ▶ HNC Construction Management for England (Site Supervisor)
- ▶ HNC Civil Engineering for England

HOW TO ACCESS HNC TRAINING:

As part of a Higher Apprenticeship: Your apprentice will complete the HNC alongside the Higher Apprenticeship – two qualifications, one programme.

As a standalone qualification: Employees attend one day a week over two years. This is ideal for more experienced members of your team who want to gain a recognised qualification without the apprenticeship route.

**Not sure which route is right for your team?
Talk to us – we'll help you find the best fit.**

TRAINING AND DELIVERY

Apprentices train both in the workplace and at college, developing practical skills and industry knowledge.

We offer:

- ▶ Day release or block release options
- ▶ On-site assessor visits
- ▶ Regular progress reviews and feedback

If needed, we can also support apprentices to gain experience across different employers to ensure they develop a full range of skills.

WAYS YOU CAN WORK WITH US

There are lots of ways we can work together, and we will make it easy to get started.

OUR SERVICES

Developing Skills. Building Futures. Powering Your Workforce.

A strong workforce starts with the right skills. At TSCG, we work in partnership with employers to develop talent, strengthen teams, and support long term growth.
